Red's mother was beautiful Popkin said. She had dark red hair, freckles, brown eyes. She never stopped talking except when she went to sleep at nite.

You can throw this picture away as I know you have no place for it. Just wanted you to see all the family.

The Kents and the Careys from England. Green grocers.

Red was named after his grandmas family name. Ma (Red's mother) was a loud mouthed Irishman. Red's dad was a gentleman. His family lived in a beautiful home in Nebraska and dressed for dinner. Red's mother used to tell me what a spectacle she was before they started to train her, how to walk, talk, wear clothes. They didn't have any luck with ma tho. Pop wore Little Lord Fauntleroy clothes. He turned out to be a barber and a happy satisfied one, doing what he wanted to do and waited hand & foot on Red's mother. Ma was a gypsy. ~~She~~ She couldn't get lost, no way. Mary Lorraine is the same way. She can find her way out any place.

Well Mary I'll bet you're bored stiff. Don't know why I write ^{all} this foolishness.

By for now
Aunt Fern

I think they are a sweet couple and we loved them. They were gentle people same as my mom and dad. Aren't we fortunate to have ancestors like our ancestors.

Crystal Mountain Seeded

TO AVOID EROSION on close-cropped open areas, operators of Crystal Mountain, Inc., have seeded slopes with more than 3,000 pounds of finest grass seed. To slash this means skiing on very little snow, and to operators it means early and late season business in the newest and most ambitious development yet attempted in the Northwest. Pre-season viewers look down on the protected valley from point of land about half way between top and bottom of valley. Day lodge was built last season and now under construction is 61-unit condominium apartment motel, as shown in architect's drawing. Alpine-type structure, to be known as Silver Ski Chalet, will be ready for use during the 1963-64 skiing season. Twenty-

per cent of the units will be available for public rental. All units are now sold, but owners will rent on a rotating rental pool basis, according to Frank Pattison, president of Crystal Improvement Corporation. New this season also is a third high level chair lift, now being installed. To avoid marring the countryside with a truck road into the installation, many of the towers will be "high-lined" to their sites by overhead cable. Unique in many ways, Crystal Mountain had nearly one million dollars for its first phase of development long before construction began. Approximately 1,000 Washington families are Crystal Mountain's "owners," but no one individual or family has a controlling interest.

the Magnolia intersection you see the real estate office of Carl Miller. The nicely designed billboards, the blended color scheme and parking are just some of the features of this office. *Steve Meyer White*

Carl Miller entered the real estate business in 1952 in National City. In 1954 he moved to El Cajon area and was associated with Esther Dege until he opened his own office, June 1, 1956. For many years prior, he was in the export business in the Philippine and Hawaiian islands. Ann Miller is the part-time secretary.

The associates in the office are: Priscilla Tomoski, who moved to California about 10 years ago from Michigan. She became so sold on the El Cajon and Fletcher Hills areas that she decided that real estate was the best field to enter—she became associated with the Carl Miller office on December 1, 1956.

W. S. (Bill) Epley—formerly in the automobile business in Midland, Texas, came to California about three years ago to retire. After two years of loafing and fishing he felt he was too young to retire. He said, "If he could sell cars in Texas he could sell real estate in California." He joined the firm in December, 1955.

Charles R. Kitley—has been in the real estate business since 1937, specializing in the sale of tract homes. He has been active in the El Cajon area for the past two years and is a recent addition to the staff.

Pony League Set For Good Season

Through the efforts of the City Recreation Department, George Everett, sponsors, led by Willard Ham, parents and managers, the 1957 edition of the Pony League should be the best ever. The league is financially secure before the start and the only need now is for a few more 13- and 14-year-old boys to come out and help fill up the six teams rosters to 16 players. The starting date for the opening has been moved to May 7 and it will begin with a Carnival on May 4 with all teams taking part.

Sponsors who have made contributions for teams are: Leonard Drogin Builders, Cloverleaf Dairy, Pete's Plumbing, Dave Martin Builders, Ed Fletcher Co., J. F. Heazlitt of La Jolla and Ham.

The City Recreation Department's Director, Bill Beck, says that all teams will play two games a week and the league will have double-headers on Saturday afternoons. First game at 1:30 and second at 4 p.m. The week day games will start at 5:30.

The Lions baseball tournament was won by San Diego High. Sanders won the first round of the tournament as Dick Flood pitched a shutout in his six-inning stint and was aided by double plays to protect his lead. John Harmon, Caver left fielder, clouted a 360-foot homer and triple to lead them to the title. Mira Costa and Hawthorne battled for the consolation title, but Mira was a run-slide for Mira Costa. They ran the bases for 28 runs, 22 hits to nine runs for Hawthorne.

The State College Aztec nine won out in San Jose Wednesday and the game has been transferred to San Diego later in the season. On Tuesday, the Aztecs lost to Stanford 5 to 2, at Palo Alto.

The Minneapolis Lakers have drafted "Hot-rod" Hundley of Washington. They gave up Lovelle and Jim Paxson to the Cincy Royals for four players, and Cincy first choice in the draft. They retained their third choice and chose Jim Krebs, Southern Methodist 6'8" hook shot artist. North Carolina's Len Rosenbluth went to the Philadelphia Warriors.

The Aztec track team lost to Los Angeles State Wednesday due to the great strength of the Diablos in the field events. Bill Walters won the 220, Ratelle won the 440, Gallagher the two-mile and the mile relay team of Muirhead, Eastman and Evans set a 3:20.9 mark for most States points.

Dear Willie Lee,

18 April 1988
Thank you for the lovely Easter Card.
Did you have Easter with your family?
Bill, Bonnie, Michelle and the regular
bunch of grand kids were here with ^{me} on
that day. Michelle came down from Santa
Barbara to be with her mom over the
week-end. Bonnie baked a large Ham
and I did the rest of the cooking. They
all went to Church and then came here.
They gave me a large bouquet of glads, mums &
Carnations. The mums are still with
me believe ^{or not}. From the 3rd to the
18th. They are as big as a small saucer
and snow white. They were so beautiful.
Whoever arranged knew what they were
doing. I used to work with flowers a
lot when I lived in Palm City where
flowers of all kinds were raised. I
was superintendent of the rock plants in
that area and had access to the flower
beds, ^{or fields.} My friend had taken a course in
flower arranging ^{from} so she shared it all

Thank you for the lovely Easter Card.
Did you have Easter with your family?
I, Brownie, Michelle and the regular
lunch of grandkids were here with us
that day Michelle came down from lunch
and we all had the most wonderful time.
Michelle and Brownie took a trip to
and to the rest of the family they
went to the local Southern Town where
they gave me a large basket of food, home
made pies, the women are all with
me. I'm sure for me. From the 3rd to the
8th. They are so big as a small house
and so beautiful. They were so beautiful.
The men are so big and so beautiful.
I used to work with them in
at home I lived in Palm City where
I lived with my family. I
was living in the back of the house
that was my home. I was so happy
to be here. I was so happy to be here.
I was so happy to be here. I was so happy to be here.

With me. Together we arranged and supplied the Church with flowers. I can still see those flower growers with the arm load of flowers at my door. That was about the only nice thing about Palm City - except that we were near the cool beach and it was all ways cool. we are having some cool rainy weather here the last two weeks. It rained off and on most of today.

You mentioned going to Mc Huffys for dinner in your last letter. If I had been with you I would have stuffed myself or ^{born} Carned beef and Cabbage, and Sour Pickles, rye bread and lots of variations of mustard. It is my favorite meal. Is Pasta Alfredo easy to make at home. Do you have a good recipe or just eat it when you go out. Spaghetti or Pasta is a favorite of mine put together any old way.

If I didn't enjoy your travels so much I would be envious of those trips you take all over. But that's fun, seeing things & scenes ~~so~~ beautiful you can't find words to describe them. I used to walk in Cole:

Washington and can still remember those sights and sounds. Have you ever taken that trip three the Olympic mountains from Seattle down to Long beach. The south is probably about the the prettiest place on earth. Sure wish I could have seen it.

Would love to see Bennie. Tell her hello for me. Did you toboggan here in our Cayamacha's. We seem to get more snow now than a few years ago.

Wish I could help more with the Ham family. I sent your letters from M. Alice to her because I wasn't sure where you would be. Hope you enjoy them as much as I do yours and hers. If you ever want to know anything about your where - a - houts just write me. I've found some more ^{of yours & Mary Alice's letters} to add to my collection. I kept all of my daughter Marys letters from the time she moved to Washington until 1972. Had a whole trunk full of her travels and busy activities, trials and troubles and all her happy times. One day I lost my temper put the old trunk on my mover thing and

^{dumped}
all those precious recorded memories in the
trash container and have regretted ^{it} ever since.
But sometimes you can get so frustrated with
your kids that you could just give up with
them - but really we can never do that,
can we?

Where were you lucky enough to find
old diapers. I hung onto mine for years
but was never able to find them any
where and just refused to buy new ones
to mop up with. Just remembered (at the 2nd hand store)

Well I hope your Laura is OK
by now and that problem is behind
her. Give her my best wishes and let me
know how she is doing. You take care
too and don't work too hard. Thank
you for everything and please write
soon. Excuse this messy writing.

Love
Your Aunt Fern

Dear Willie and Mary Alice.

Just a few lines to send you a little more information on the Leue Bekhs family.

Herwood ^{Bowling} was here and I questioned him about our genealogy papers that Doug has of Alma. Asked him if he could ask her to give access to her old pictures letters and the genealogy papers if she has them. He says he thinks he can get them for me. He will try and let me know. He said Fairye wouldn't have it - Doug would!

He remembers visiting Uncle Lew. Said in 1925 ^{or 1926} Uncle Lew picked ^{up} Alma and her kids, Herwood, Fairye, Douglas & Bellie R. and drove to his farm in Okla. He couldn't remember the name of the town. ^{think it is Loca} He said James Henson remembers the place also. Hope to hear from you. We checking to see what James R. Henson. Love you two sweet girls

and no letters mailed to or from that address.

Mary I am sure that is the house number
on Pajaro death certificate. I talked to Rufus about
it and he said he never heard of a number like
that being on that street but its got to be a house no.

Well I jogged my brain some more and stirred up
an idea. The thought came "you turn used the Ham family
mail box!" So I looked on Mary Lainer's birth certificate
and my birth certificate and application for it that
was witnessed and signed by my father on 3/21/12.
It says the P.O. Box no is 376 E.C. Ca. 3781-1A
is the house no Sec list. I will get Bill to check the
house no for one. When they changed from A street
to So. Anza I will have to check further but
it would probably be in 1958 when Bill started
to the new Anza school. They made quite a few
changes in the city streets about then. I don't have
or know how to get this kind of data for you but
will keep trying.

June 9, I talked to my friend Georgia Snoddy on Merritt
Rivier Rd. She thinks the street named So Anza has always been
So Anza and was just called A St. the house no would
be in the 3000's. She is going to check and investigate
so we should have that information pretty quick now.

Dear Mary Alice,

Received your welcome letter and am so glad to hear Bill had a happy birth day. you really do have a lot of birth days in Aug. Papas birthday was in Aug on the 18th, Chris the 23rd. and mine the 9th. Tomorrow

Mary I feel that I offended you and Willie when you were here and called to let me know you were in town and could come over and I couldn't get enough air to my brain on that day to see you until another day. I wish I had some one near who could help me when people come but I don't so must say yes I can or no I can't. I hope you and Willie will try to forgive me. I've had several of those days since you were here.

yes Mildred Banglos is a great lady and I'm so glad she is back in the family where she belongs and I am enjoying every minute of her. She was here last week to visit. She brought some old pictures of her mom and some of her and Raymond when they were kids, she didn't want to leave them. Said she would see what she could do about having copies made ^{for us}. She sent you and Willie a picture of Grandma Kibler and brought mine here to me. She had an extra she left for Chris. She went to L.A. to visit Raymond. He said she was born in Richmond Tex. She said he drinks heavily (I think because of pain - not sure). Sis and Freida said she wouldn't cooperate with them and was very curt and short. She was the same with me when I first called but after a few calls she got a little more friendly but I continued to be

Like you I am curious: What and who ^{would} need her
so that she didn't want to talk to us. Somebody hurt her
real bad.

Very persistent & pushy and paid no attention to
the coolness. Then I sent her your letters and
photo copies then pictures of her mother and finally
got her back in the family where she belongs with
the rest of us. I kept her informed ^{by sending her your letters,} on your activities
then gave you girls her ph. no so you could
carry on from there which you both have done so
beautifully. No you won't find any sensitiveness in
her now but before & now you would have thought
you had a snake in your hands. She is a Gibbs and
easily offended. The information she gave me was
complete as far as I can see except she didn't
mention Robert Pennell. Who is he? I sent you
all that information right after she gave it to
me. Some she gave me was sort of scrambled.
Wonder what happened to her. So glad she is my
cousin. She came to see me last week and stayed
an hour and 1/2 or two. She brought her old
pictures of Aunt Olla and her self and ^{James} Raymond
we looked at her pictures and she looked at mine.
She gave me my picture of Grandpa Gibbs at Aunt
Annie's house. Said she sent you girls one each. I
asked if we could make neg from ^{Aunt Olla's pict.} and she said who would
you give more pictures to and I said Treida, Chris
and Sis. She looked in her purse and said here's
one for Chris. So Chris got one also. Did you see
the old pictures of Aunt Olla etc? She ^{Mildred} had just gotten

I had a feeling that she made a special trip
for information for you and Willie. She said
he told her that she was born in Richmond

can't depend on what he says and it seems he
had no records.

I sent her some more pictures thru the
mail of mama and her family then called
to see if she got them. I couldn't get
her on the phone so called Alan. Her
wife said that she left Friday the 5th
of Aug for Colorado to visit her son and
daughter. I wonder if she will visit you
and Willie. When she left my house she
got in her little car backed into the trash
can, then forward and back just missing
the can several inches then out of the
drive way. She says she drives in L A

She wants a picture of the Santa Ana
restaurant. Sis has the original. I asked Sis
if she would get us a neg. of it so we
can all have one. She said Grandpa was
always telling stories about the customers ^{who came} into the
restaurant. Said a man asked a couple of men
to pass the butter and they refused to do so. He
asked Grandpa to bring a lb of butter. He laid it
in front them and said now eat it, every bite of it.

I called Douglas Bowling today again. Freda said she would not work with us on the genealogy and I guess Chris maybe didn't give it a try. But when I didn't hear from her after two weeks worked up courage to call again.

She was cool but warmed gradually getting warmer and warmer as I explained all you girls have done and hope to do with the information Alma gathered for us in Texas. She said Aunt Fern wanted to get down there this week but I am on jury duty call all ^{this} week ^{9-12th} and was on j- duty all last week. I have been looking thru some things but next week I will look thru my mother's things that are packed in one of our storage places and will bring them all down there. She said do you know where they are? I said no, all I know is that Alma told me she was moving them from the bureau drawers into two small suit cases and putting them under the bed in the bed room by the kitchen and if any thing happened to let to tell Lurige & Doug where she put ^{them} ^{Page 9} I don't remember ever seeing them but they should be with her things. She was so parent as she always was with me and my little family. She said Jean is coming by to ^{see} me when she finds time. That will be nice. Will you get a copy of Jean and her write up in the Cal Coffin paper. a write up on

I found that I did have the Boy no. }
The ^{Ham} family got their mail at a post office Boy in El Cajon. I don't have the Boy number and no letters mailed to or from that address.

Mary I am sure that is the house number on Pajaro's death certificate. I talked to Rufus about it and he said he never heard of a number like that being on that street but its got to be a house no.

Well I jogged my brain some more and stirred up an idea. The thought came "you ~~turn~~ used the Ham family mail box!" So I looked on Mary Lorraine's birth certificate and my birth certificate and application for it that was witnessed and signed by my father on 3/21/42. It says the P.O. Box no is 376 E.C. my grandson comes almost every school day after school and at least three times ^{a week} during the summer holiday to visit. He loves the quietness here. They are looking for a place to buy maybe in Escondido. Bill and family would be here often but I'm not able to have them more than twice a week. They bring baby James to visit for 2 or 3 hrs and I'm simply exhausted when they go. This is so frustrating, Mary. Jason does all the little jobs I need done about the house.

I think it's neat the way you're handling Mildred R. past history. She is a beautiful character. She said, "don't drink Coffee or Tea or Cokes, nor smoke, but I will take a little wine now and then. I wanted to set a good example for my children." I like that, don't you?

Well sweet Mary it's nearly 3 A M and I must get my hot Tea and get some sleep. Tomorrow is my birthday and I will be millions of years old.

Take Care and writes when you can find the time.

Dear Mary Alice

Got your letter today. Thank you for sending the copy of addresses. I know it was trouble for you.

Was sure glad to hear from you. Our weather has been perfect here also and we've had beautiful sunsets but none like the spectaculars you have in Colo.

Yes, I am feeling much stronger than I did. My lungs have cleared up thank goodness. James was here to trick or treat me this evening. He has a lung problem too and had the virus at the same time I did so it was almost three weeks since I saw him last.

Does Bill want to move back to Arizona or just go for a visit. It gets pretty cold in Arizona too. California is far more especially San Diego.

Willie Lee sent my checks back to me and also sent me all those pictures I asked for when you were here so please don't send me any more. I can't remember what pictures I asked for so just forget it.

I checked with Freida about Geo Ham. Chris told Freida that George Changed his name to George James Ham years ago. It was never entered on our family records. You are right. Thanks for straightening me out on that.

Mildred Ranglos called me to ask for Raymond Gibbs address. Said she will be over to visit this week. She wants copies of your letters about your trip to Okla and Missouri. Did you send her what you sent us? I love her too. Her sister-in-law passed away a couple of

Dear Willie Lee,

There isn't much to write about except the nice weather we are having here in San Diego. It's been like spring all this last month but a few clouds blew in today but are gone now.

Your letters have been enjoyed and I'm still reading them. Can't believe all the places you've been the last two months. It's so nice you and Mary Alice can be together. I always enjoyed going on trips and visiting my sisters and brothers. My house was always full of my family and Reds. Now they are all separated with families of their own and my health keeps me from visiting like I want to.

I wouldn't take anything for my pictures and the letter of your trip to England. Thank you for everything Sweet Willie. And for all the information about our family background. What a mixture we are. Did you do any research on your mom's family in England. Wish I knew where Reds folks lived in England.

That feeling you get when you visit the Gibbs memorial homestead could be because it was maybe your home in a past life. I have that same feeling when I see a picture of London. I can see a bright sunlit room in a two story bldg on a residential street and I feel warm and cozy every time I have that feeling. When I was in Victoria ⁱⁿ ^{because of that feeling.} I had tea at a little restaurant and I didn't want to leave. ^{yet my} life was so good with mom and papa and family I couldn't give that up either. There was much love expressed in our family for each other. Do you notice how Herb always had his young sisters and brothers hugged up close to him in his pictures. Isn't he

Herb

Herb

he handsome in that picture taken in Missouri
in his Knickerbocker suit. In most of his pictures
he had the young kids around near him.

My family Bill, Bonnie, and James just
came in to Trick or Treat me. He wanted my
macaroon Cookies and ran around the house
eating two of them pressed together even tho' he
had a big bag of candy. Bill was really tired.
I sent their dinner home with them.

Thanks again for everything and write
when you find time.

I'm feeling much better since taking a
few Vitamin Tablets. I've been so weak I could
hardly get around after 2 hours with a virus
in 2 months. Hate to be so negative and
have to lean on a Vitamin for strength. Just
shows me how weak is my faith in God.

drop by and talk to him about it. Jean told

Dear Mary Alice,

Woodford
Sure was glad to hear from
you. Have signed the questionnaire
for Woodford's medical record and
death certificate. Chris wanted to
read it so I sent it out by Lenny.
She will mail it from there.

→ you know that he took out ^{life} insurance.
Mom and Pop received 10,000 dollars
after he died.

Guess you are enjoying your
family and the beautiful Colorado
scenery today. We had such a nice
day. My home maker was here to
clean house. He cleaned my refrigerator
and a very dirty cluttered cupboard
under my sink. You wouldn't believe
what I had collected and stored there.

I threw away a huge paper bag of
stuff. Sure looks better and have room
now for stuff I use. Why do we hang on
to things like that?

Jason came by after school. Had

a snack, watered my grass and indoor plants
before he left. He is restricted this week and
has to miss a week end fishing. He loves
fishing.

I'm glad you enjoyed your trip to
Arizona. Will you ever move back there.
It seems New Mexico is getting very popular.
As for me California is the perfect place.
Would be nicer if I could afford more of the
luxuries but I'm very comfortable in this
little court with my kitty cat. She is about
six years old, a beautiful Calico breed and
very smart and loving - most of the time.

I'm getting a picture made for Willie.
Still looking for a letter from her.

Will close this and get it ready to
mail. Write when you have the time.

Lovingly yours

Dear Mary Alice, May 2, 1988
Your letter came this morning. So glad
to hear that you like the picture. Herb
looks just like my grandson, Jamie, in
that picture. That is the sweetest picture
of mom and Herb. I want to be very sure
that Willie Lee has one also. I thought she
might have gotten a negative and clear picture from
the original I sent her (the one I thought was
lost in the mail) so be sure Mary, and let me
know and I will get one made for her. ^{if she doesn't have a clear one} Thanks
for the clippings. If any thing has happened
to your negatives remember Freida had
negatives of my pictures made so we would
have them in the family here also when
needed. I had two more sets made and
gave them to Chris and Sis. They cost \$15.00
a set here. I gave Freida the set you gave
me. You know Willie these pictures are
priceless to me. The ones made in Colo. are much better than ^{in E.C.} ~~the ones~~
Wish I could have been more help on Wood Jards
letters. I too wondered when I first read those
letters in Riverside about Wood Jards wife,
I called Freida and she says Wood

was never married, said he was just
kidding around.

Thanks for information about your
past. Enjoyed reading it. You are
not to pay for the picture.
Belknap I'm so sorry. I thought everything
was complete ~~and~~ Bill and Bonnie and
I leave off the most important part.
Their marriage date is Apr. 5, 1986.

Wish you could see Jamie. He was
here today, Mother's Day. They are all
recovering from flu. Bill and Bonnie
felt really bad. It's so good to see them.
James is so loving and giving full blast.
Ever so often he ran over to me to rest
and love me. Jan and Brandy are
growing up fast. Jason was here too.

Mildred Rangles called saying she is

Dear Willie Lee,

Have so many memories of your mom and dad, loving memories. I can still see Lillie sitting in mom's Trailer for her daily visit after ^{she} got off work, ^{still} in her uniform. And visiting Herb while he tinkered with his clocks. I love you and Mary Alice for carrying about our family.

Mary sent my pictures. She is so sweet. I had forgotten she had them. I will write you a long letter later answering the questions you asked. I've got your letter handy so when the memories start I will probably have you to tears with the past.

I made the delicious recipe you put together and also the needles Alfredo. Thank so much for those. I will send you a green bean recipe Mary Loriane thought up. It's one of my favorites. Cooking has always been my favorite past time. never thought of it as

work.

we have Kerbs & Lillic's moves almost complete, don't we. I'm so pleased to have a record. Thank you again.

I'm sending you and Mary a picture of Bill and Marjory Ham. you will love them as I do mine. I'm sending the pictures of the little boy with wagon back so you can see the one I'm talking about. This little boy is my grandson Gregory Frederick Melms, Mary's L's son. you can send them back in a letter. It is not Willard Kent.

well I must close this and take another snap. will write both of you later.

Chris,

I read the letters and looked over the
work sheets but have nothing to add. Too
bad the Mensons are so uncooperative.

The letters to you and Freida are
beautiful and well written, especially
the ones written to you praising you
highly in every way. You should be
walking on air as compliments from
Willie Dee are earned. I thought the
letter to you was the best she's written
except for one she wrote me on a trip
to the East Coast somewhere near Cape
Cod. I misplaced that letter and wish I
could find it. I loved what she said about
you not growing older in appearance.
Wish I could keep ^{it} of all the letters
and work sheets but I'm broke. If
you get copies for yourself I can get Gies
yours later. Need Marys family info.
I owe you more money on the bubble
bath. Can you tell me how much.

For some reason we don't have
snails (maybe one new & then) here.
Remember I told you about the one
I found on the lettuce leaf you sent.
Well I put it on the back ^{of the} ~~of the~~ Monday
its trail went around the house to
the front walk and across to the
middle lawn into the bushes. I saw
about that for a snails race. From
Regency Road to 1st. Brought its
home along to ^{planted} ~~and~~ ^{place} plants to
use for food. I saw its trail across
the front walk. you never see a snail
trail here in a blue moon I have named
it Rover.
